Paid outs for more than \$5,000.00 must have a cashier's check posted to your Master Account at least 15 days prior to your group's arrival, in order for a paid out to be obtained. Either method must be communicated to "The Venetian & The Palazzo" fifteen (15) days in advance with a detailed description of the denominations that you will require.

Who (first and last name) will be signing for the paid out

(This person must be a confirmed authorized signer on the account)

Any specific denominations that are requested

In order to fulfill the paid out request, Team Members must assist their client to the Casino Cage. The client must have proper identification. Cash will not be given to any Team Member to be delivered to their client. BROADCASTING SERVICES (Continued)

While not all frequencies will be in use all the time, these frequencies should not be used by outside vendors for their wireless systems. When bringing in other Shure or similar wireless equipment, please remember that changing the Group or Channel will not guarantee that you will avoid interfering with another wireless device with similar frequencies.

House frequencies are set and will not be changed. Gaps in the grouping system are available and will be given out on a first come, first serve basis. Any wireless use in the facility must be brought to the attention of the Audio Supervisor. Assigned frequencies will be in effect at the start of the show and will remain in effect for the duration of your event. While monitoring of all wireless use is attempted, interference between your assignment and another visiting vendor is not the responsibility of SES.

FIRST AID

The Hotel's Security department is trained to provide first aid service in the event of an emergency. Any stationary, non-emergency service must be ordered through an outside service.

A permanent first aid room is located on the Sands Lower Level across from Meeting Room 401. For all exhibits, the Sands Expo & Convention Center requires that Show Management maintain, at its own expense, a nurse who is fully registered in the State of Nevada to dispense medicine, supply first aid care, and bring the required supplies needed for the first aid service for events taking place in the Sands Expo & Convention Center. This service must be contracted through an outside company.

The first aid provider must be on site during the contracted period to provide medical services during move-in, show days, and move-out of your event. Please provide the Sands Expo & Convention Center with your first aid plan for approval no later than 21 days prior to your first move-in day.

While on duty, the nurse will be in communication with the Sands Security department at all times. In case of an emergency, the nurse can be contacted through our in-house Security office at extension 65195 from any in-house phone in the building, or through your SES Event Coordinator via radio or telephone communication.

Please note that, due to logistical and physical restraints, automobiles cannot be placed in the Casanova, Marco Polo, Galileo, Bellini, Titian, or Veronese Ballrooms, or The Venetian Foyers. A 5-mph speed limit for forklifts will be enforced at all times. Forklift operators must be certified and able to provide supporting documentation.

FREIGHT DOORS MOVE-IN & MOVE-OUT ACCESS

Hall D and Sub Hall D: (See The Venetian & The Palazzo Facilities Guide for locations.)

In an effort to conserve energy, the Security or Meeting Services department will control the opening and closing of any freight doors during your move-in and move-out. A schedule of when the doors need to be opened will be required from the exhibit/production company no later than two (2) weeks prior to move-in. This policy is strictly enforced and the doors will be automatically closed if there is not any activity in or out of the doors as observed by the Meeting Services department. Therefore, it is extremely important for the exhibit/production companies to use their time wisely when the doors are open. Plastic air curtains are not to be tied open. When freight doors are open, the user must supply, at their expense, a Security Guard to maintain a watch.

Hotel Receiving Docks: There is limited dock space for shipments sent by carriers other than Fed-Ex, UPS, DHL, Airborne, or the US Postal Service, and delivery schedules must be approved in advance. Your Catering & Conference Manager will coordinate the appropriate arrangements, at least two days out, with the Hotel’s Package Center to ensure a successful delivery of your items to “The Venetian & The Palazzo.”

MOVE-IN/MOVE-OUT

During the move-in and move-out of trade shows, the establishment and maintenance of designated “No Freight” aisles are required. These aisles must be kept clear at all times.

Exhibit Load-In/Load-Out Aisles: During move-in and move-out, a ten (10) foot wide lane must remain unobstructed for emergency vehicle access at all times. All fire exits leading from the building and compactor areas must also remain clear and unobstructed. All vehicles, equipment, crates, etc. must be removed from this area and remain clear for the duration of the event until move-out begins.

LOAD-IN/LOAD-OUT APPROVED ROUTES

During a show or event load-in/load-out, the organization agrees that load-in will be conducted in accordance with the following routes:

- Access to The Venetian & The Palazzo shall be via the Service Elevators located near The Venetian & The Palazzo Main Receiving Docks (no forklifts shall be used in these elevators) OR via the freight elevators located off The Palazzo dock or near Hall D (forklifts can be used in these elevators).
- Load-in via the Hall D receiving doors is not permitted unless the organization contractually holds Hall D. Casanova, Marco Polo, and Galileo access shall take place via the Service Road located outside of the Galileo Ballroom (all vehicles must have a security attendant and your Catering & Conference Manager **must** coordinate arrangements). - A. NEVADA tax-exempt sales tax permit providing the evidence of non-taxability.*

Please contact the Nevada Department of Taxation at (702) 486-2300 for further details.

SEGWAYS

The use of a Segway personal transporter is prohibited in The Venetian Resort-Hotel-Casino and The Palazzo Resort-Hotel-Casino. If the guest has a medical condition that precludes use of a wheel chair, we allow the Segway, otherwise, they are banned.

STORAGE OF EXHIBIT MATERIALS

“The Venetian & The Palazzo” cannot accept and store large exhibit-type shipments of materials in advance of a show. Due to Clark County Fire Department regulations, crates, boxes, and such cannot be stored on “The Venetian & The Palazzo” premises during a show. It is necessary for you to make arrangements with your production company/exhibitor service to receive and store equipment for delivery to “The Venetian & The Palazzo” on the move-in date. These arrangements must also include the removal of empty crates, their storage during the show, and their subsequent return to “The Venetian & The Palazzo” on the move-out date. All storerooms inside “The Venetian & The Palazzo” must be maintained free of any outside contractor equipment. It will be the responsibility of the outside contractor to secure storage for any and all equipment off property. Should property be left by the group, the group’s decorator, or the group’s production company after the contracted period, The Venetian & The Palazzo will dispose of the property and will charge the licensee accordingly.

STORAGE OF PRODUCTION MATERIALS

All production equipment, crates, boxes, etc. must be stored by the outside company within contracted meeting space. Under no circumstances shall production companies utilize service corridors, back hallways, or hotel storage areas for storage of equipment.

TRUCK/TRAILER STORAGE

Motorized vehicles and tractor trailers cannot be parked or stored overnight in “The Venetian & The Palazzo” parking lot or convention loading docks. These areas can only be used for loading and unloading. Once a truck has been unloaded, empty crates and trailers need to be stored off property. BUILDING DAMAGES

Damage control, building upkeep, and preservation are primary areas of concern for the Engineering department. Your Catering & Conference Manager will assign a Meeting Service Coordinator to walk you through your space for a pre- and post-show/event inspection, if you so choose. Should damage occur during your stay, a damage report reflecting location, type of damage, and amount of repair will be included on your final invoice and repairs will be made at the end of your stay in order to preserve the property status and upkeep.

As building damages may occur, we suggest that a member of your staff take advantage of the pre- and post-event building damage inspection (see page 53).

EQUIPMENT INVENTORY

The Hotel's convention inventory is supplied at no charge. If however, your requirements are larger than the Hotel supplies, "The Venetian & The Palazzo" will not be responsible for renting equipment or for any costs incurred. Please see your Catering & Conference Manager regarding equipment for your group's specific use. Extraordinary set-ups, set delays caused by a decorator/production company, and schoolroom sets may incur a labor charge. Set-up changes made less than 24 hours prior to a function may incur a labor charge. Hourly labor rates are currently \$35.00 per hour per person with a 4-hour minimum for each person.

INTERIOR CARPET INSTALLATION

Only a low adhesive tape is permitted on "The Venetian & The Palazzo" carpet. Decorator carpet may be installed only as follows:

There is a \$100.00 per key fee for lost keys. Keys must be returned to your Catering & Conference Manager or a Meeting Services Coordinator at the conclusion of your events. In providing keys to a room, The Venetian & The Palazzo assumes no liability for the security of the items within the room.

Smart Keys are also available for the function space listed above and are charged at \$100.00 each. A Smart Key allows multiple rooms to be coded to one key.

Substantial changes requested after the room has been set are subject to availability of labor and shall be assessed a labor fee that is currently \$35.00 per hour per Meeting Service Provider with a 4-hour minimum per provider. A \$35.00 per hour fee shall be assessed for each Meeting Services provider for "Tight Turns" less than two (2) hours before beginning of next event.

PRE- AND POST-SHOW FACILITY WALKTHROUGH

As building damages may occur, we suggest that a member of your staff take advantage of the pre- and post-event building damage inspection (see the Meeting Services section of this document). "The Venetian & The Palazzo" Meeting Services Concierge and your representative will inspect the facilities and sign off during the pre- and post-walkthrough as to the condition of our convention property. Should you decide to waive the walkthrough, you agree that the facilities are in good repair. During the course of your event, if any damage is sustained to the property, your company will be liable and responsible for all repairs and costs incurred, which will be charged to your account.

ANIMAL HANDLING POLICY

ANIMAL GUIDELINES

On occasion, convention clients or private parties have sought to display or otherwise use animals, including “wild” animals, as part of their group functions at “The Venetian & The Palazzo.” As a general rule, no animal other than an animal that qualifies as a “Service Animal” or police dog as those animals are defined by law, shall be brought onto the property without the prior approval of the Legal/Risk Management department. This applies regardless of the type of animal or the length of time the animal will be on property.

Before such approval is given, in most cases, the following minimum information will need to be provided:

- 1. What type of animal(s)? (i.e., age, weight)*
- 2. What is the purpose of bringing the animal on property?*
- 3. How will it be transported? (i.e., caged, chained)*
- 4. How long will it be on property?*
- 5. Who will be handling the animal and what is his/her experience and training?*
- 6. What will the exposure be to our Team Members and Guests?*
- 7. What precautions are being taken to avoid injury to our Team Members and Guests? Provide a complete description including a diagram of the holding facility and/or cages used to confine and/or display the animal while it is on property and any other information that would tell us about security precautions taken to avoid injury to others.*
- 8. If coming in from out of state, have the necessary Import Permits been granted by the Nevada Department of Wildlife?*
- 9. Does the person, firm, or organization have an Exhibitor’s License issued by the United States Department of Agriculture in compliance with the Animal Welfare Act (7 U.S.C.2131 et seq.)?*
- 10. Does the person, firm, or organization have a License to Sell or Exhibit Wildlife from the state where it is domiciled?*
- 11. If the animal is to be exhibited, has the necessary amount of security personnel been arranged for?*

Service Animals Questions & Answers:

Q. What is a service animal?

- A. A service animal is **not** a pet. The ADA defines a service animal as any guide dog, signal dog, or **other** animal individually trained to provide assistance to an individual with a disability. If they meet this definition, animals are considered service animals under the ADA regardless of whether they have been licensed or certified by a state or local government.

Service animals perform some of the functions and tasks that the individual with a disability cannot perform for him or herself. "Seeing eye dogs" are one type of service animal, used by some individuals who are blind. This is the type of service animal with which most people are familiar. However, please do not make the mistake of thinking that only dogs can be service animals.

There are service animals that assist persons with other kinds of disabilities in their day-to-day activities. Some examples include:

- ▣ Alerting persons with hearing impairments to sounds.
- ▣ Pulling wheelchairs or carrying and picking up things for persons with mobility impairments.
- ▣ Assisting persons with mobility impairments with balance.

Q. How can I tell if an animal is really a service animal and not just a pet?

- A. If you are not certain, you may require proof, NRS 651.075 (2). An example of such proof would be an ID card issued from a training school or a certificate or license issued by a state. Not all states have ID programs, therefore you may want to rely on other proof or common sense.

Q. What must I do when an individual with a service animal comes to my attention?

- A. The service animal must be permitted to accompany the individual with a disability to all areas of the property where guests are normally allowed to go. An individual with a service animal may not be segregated from other guests.

Q. The county health department says that only a seeing eye or guide dog has to be admitted. If I follow those regulations, am I violating the ADA?

- A. Yes, if you refuse to admit any other type of service animal on the basis of local health department regulations or other state or local laws. The ADA provides greater protection for individuals with disabilities and so it takes priority over the local or state laws or regulations.

Q. Can I charge a maintenance or cleaning fee for customers who bring service animals onto the property?

- A. No. Neither a deposit nor a surcharge may be imposed on an individual with a disability as a condition to allowing a service animal to accompany the individual with a disability, even if deposits are routinely required for pets. However, we may charge a guest with disabilities for damages done by a service animal as long as it is our regular practice to charge non-disabled customers for the same types of damages. For example, we can charge a guest with a disability for the cost of repairing or cleaning furniture damaged by a service animal if we also charge when non-disabled guests cause such damage.

Q. Are we responsible for the animal while the guest with a disability is on our property?

- A. No. The care or supervision of a service animal is solely the responsibility of his or her owner. We are not required to provide care or food or a special location for the animal.

SPECIAL PERMITS & INSURANCE

Service Animals Questions & Answers: (Continued)

Q. What if a service animal barks or growls at other people, or otherwise acts out of control?

A. We may exclude any animal, including a service animal, from our property when the animal's behavior poses a direct threat to the health or safety of others. For example, any service animal that displays vicious behavior towards other guests or customers may be excluded. We may not make assumptions, however, about how a particular animal is likely to behave based on our past experience with other animals. Each situation must be considered individually. Although we may exclude any service animal that is out of control, we should give the individual with a disability who uses the service animal the option of continuing to enjoy our property and services without having the service animal on the premises.

Q. Can we exclude an animal that doesn't really seem dangerous but is disruptive to our business?

A. There may be a few circumstances when we are not required to accommodate a service animal – that is, when doing so would result in a fundamental alteration to the nature of the business. Generally, this is not likely to occur in our property. But when it does (for example, when a dog barks during a performance) the animal can be excluded.

If you have further questions about service animals or other requirements of the ADA, you may call the Legal or Risk Management department.

As a general rule, we will also require the following to be provided by the person, firm, or organization:
